**MEMORANDUM FOR: ADMIRAL LESLIE C. STEVENS**  
**Psychological Strategy Board**

**SUBJECT : Draft CIA/ops Means Paper for Development of a**  
**National Psychological Strategy**

I am transmitting a working draft of the Means Paper with the intention of following it up with a more finished product. It would be helpful if you could advise us wherein the paper appears deficient or is not responsive to your desires. We feel that at the present there are gaps which should, perhaps, be filled and rounded out. We have attempted to focus our consideration of means on major priority actions which would have the most effective near-term impact in the cold war situation and in which the covert support could play a relatively important part.
